"The whole course completely blew my mind! Every module was layer after layer of energy work and knowledge to take forward into your life. Sue's teaching is incredible and she holds a safe space. **If you're thinking of doing this course, follow your gut, follow your heart."**
– Joe Donovan

"The course with Sue was magical. Full of new teachings, healing, support, and lots of fun and love. I have always been impressed with how authentic Sue is, she has a huge heart and is an amazing healer and teacher."
– Andreea

"Sue's training was completely life changing across all levels: physical, emotional and spiritual. Not only did I begin to learn the ancient arts of energy healing and shamanic practice, it was a profound journey of self healing and re-mem-ber-ing. Through navigating my own wounds I was encouraged to step out of stories and patterns of abuse and victimhood and step into my own power. **The course and teachings enabled me to develop discernment, trust and confidence in my own abilities and self love. I also gained a very impressive tool kit, a deep and powerful relationship with my guides and a whole new shamanic family and community.** Sue holds an impeccable space of 100% pure light. I'd consider her training to be a benchmark for anyone else wishing to hold sacred ceremonial healing space for others.
